33                     Dynasty Residence is Sri Lanka's first integrated apartment project that merges the grandeur of an ancient kingdom with modern city living. Located in Kandy, the "Land of The Kings," this development blends historical charm with contemporary design. The building emphasizes harmony with nature, offering vertical living standards that enhance health and safety by minimizing fire and fume spread and reducing airborne virus risk. It is Sri Lanka's first apartment complex to achieve USA Green Building LEED Gold Certification.
